

~Blood Drive Rules~

Participation Points

Total Distribution

20 % of Individuals/School

Rules

- The Blood Drive will be held in the Law School Atrium on September 27 from 11am-5pm. The Med School will hold their own onsite Blood Drive as well.
- If there are not enough slots for people who want to donate, they will be able to donate the following Thursday or Friday at the Wisconsin Lutheran Chapel and Student Center, 220 W. Gilman St. between 10AM-4PM, no appointment needed
- Anyone can participate in the blood drive. Friends, family, alumni, etc. can donate blood on behalf of the medical school or law school. They will simply need to sign in and designate which school they are representing.
- In order to preserve confidential health information, it is NOT necessary for a participant to make a successful donation. They just need to sign in when they start the donation process. If they are not qualified as a blood donor for ANY reason, they do not have to disclose that information. They will still count as a blood donor for Dean's Cup scoring purposes
