### Scoring

- Scoring will be done on a per game basis. Each game will be worth an equal number of points determined by the amount of teams each school can field. The number of games that will be played will be determined by the number of teams each school is able to field. If there are 4 games being played each game will be worth 5 points (20/4). The winner of each game will receive 5 points.

### Rules

- Standard Amateur Softball Association of America (A.S.A.) rules will be followed with the following modifications:
- Tennis shoes or rubber-cleated shoes must be worn. Metal cleats are illegal in all leagues. Shoes deemed to be unsafe by the Intramural Sport Supervisor will also be prohibited.
- An official game will consist of either 5 hours or will last 1 hour, whichever happens first.
- A team leading by 15+ runs after three innings will be declared the winner and the game complete.
- A team may have a maximum of 12 players and a minimum of 8 players in a batting order.
- If a team begins with only 8 players, they may add players at the bottom of the batting order up until all players in the line-up have batted once.
- A pitch delivered legally with the proper arc requirement that crosses the plate within the strike zone will be called a **strike**. The strike zone is that space over any part of home plate, between the batter's back shoulder and front knee, when s/he assumes a natural batting stance. The pitch, delivered with an underhand motion, must have a perceptible arc and reach a height of at least 6 feet from the ground, while not exceeding a maximum of 12 feet.
- Teams must start a game with a minimum of 4 males and 4 females in the field of play.
- The batting order must alternate males with females.
